

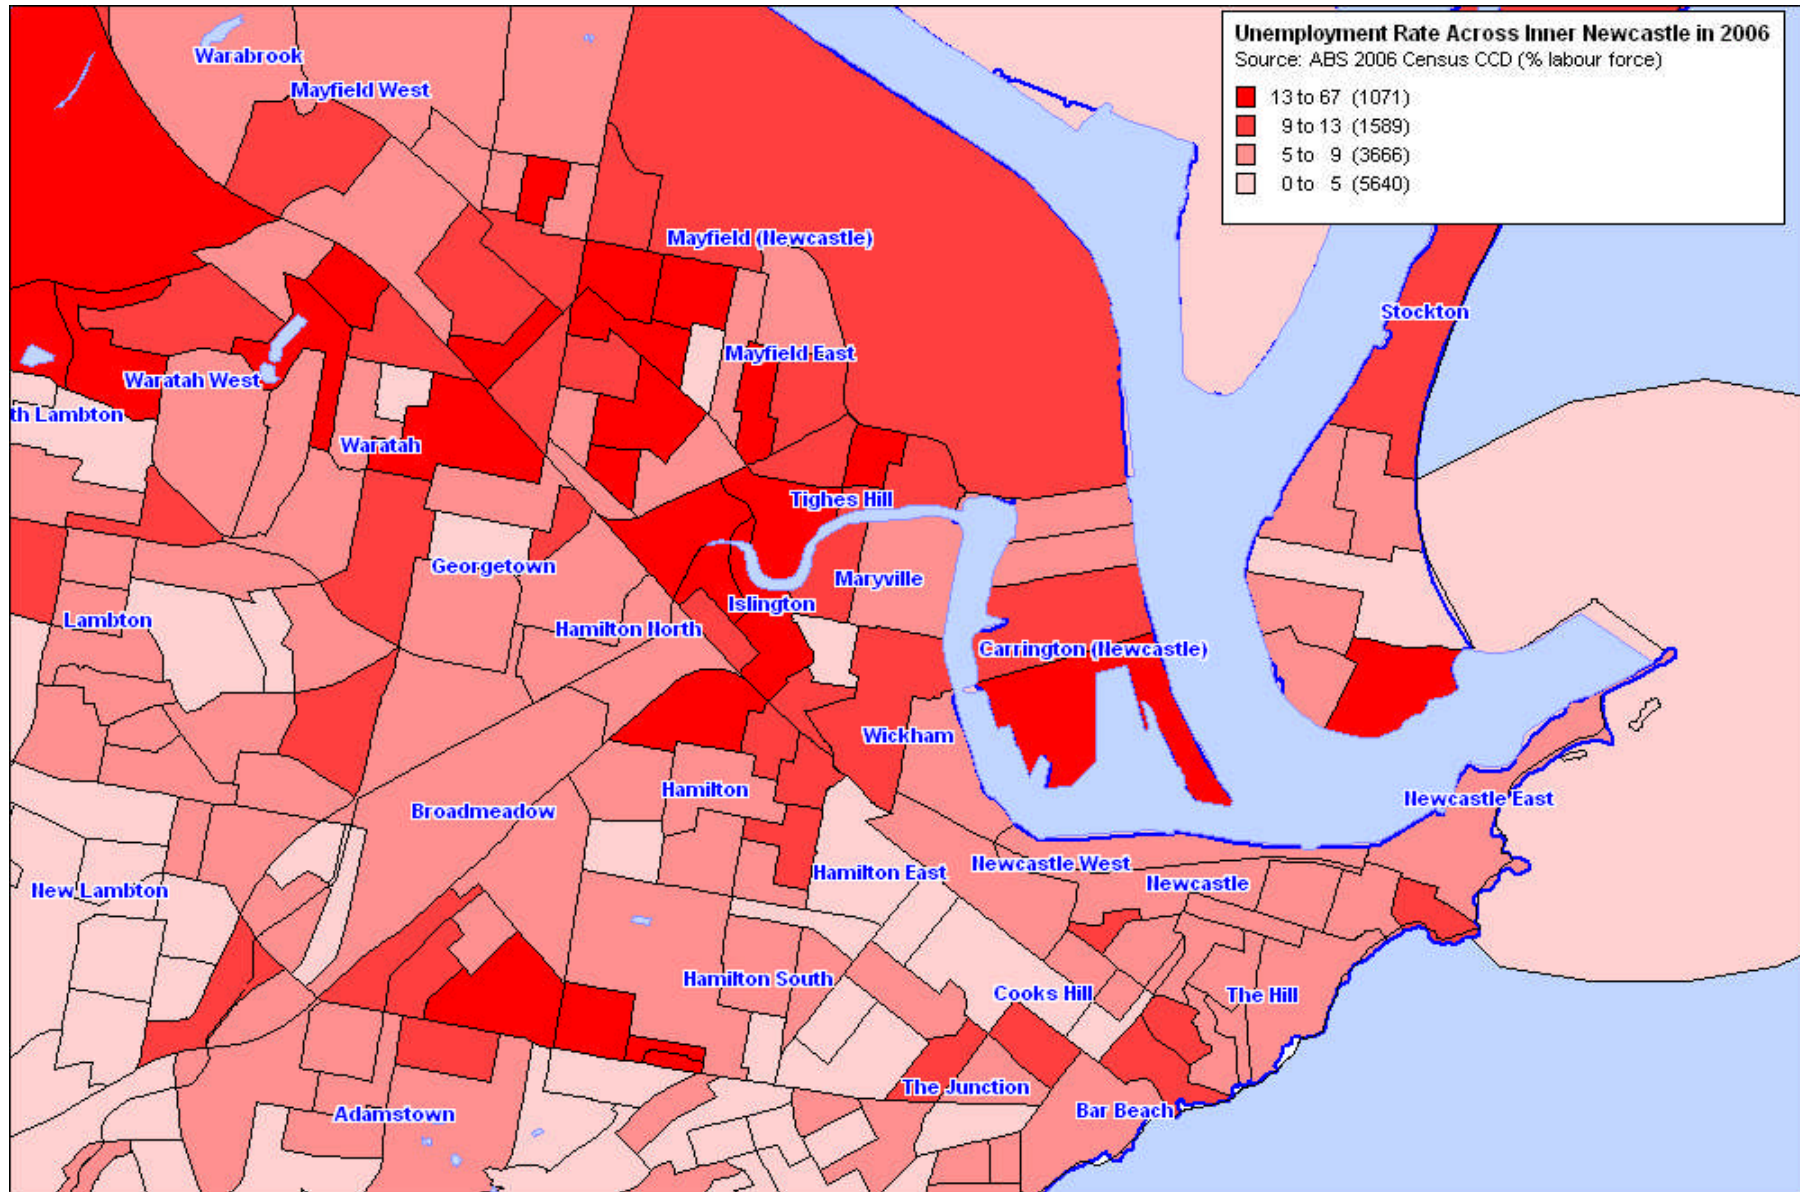

MapInfo® (Thematic mapping of ABS 2006 Census data)

Unemployment rates across Inner Newcastle City Suburbs (by smallest Census collection reporting unit (CCD)).

STaFS (conversion of open text survey responses to analysable and graphic presentations)

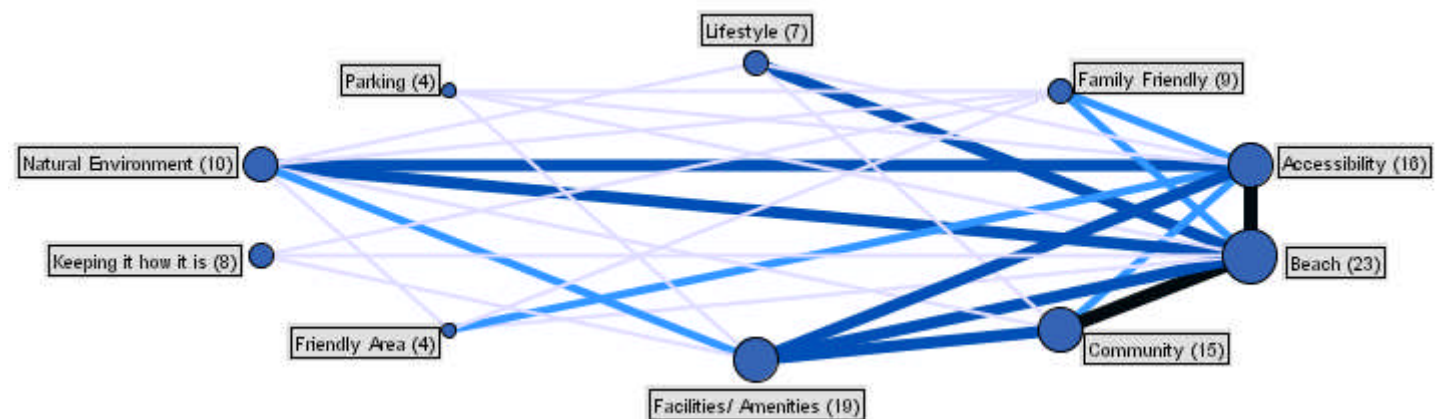

Question: *In GENERAL, what is important to you about the Merewether area?*

Open Text Responses

Id	Response	Categories
1	Beautification of our wonderful coast	Natural Environment
2	Beach, Bush and our laid back lifestyle	Beach Lifestyle
3	Health, Human relations & community involvement	Community
4	Everything - pool, beach, access to town, closeness & central location	Beach
5	Surf culture - easy access to facilities	Facilities/ Amenities
6	More family-orientated (as it used to be) & less transients (unit development). Council rates should be same as any other suburb. More off-street parking (for residential & commercial developments)	Parking
7	Making Merewether free and open for public not making more and greater parking problems. The redevelopment should be at the baths area not the beach.	Beach
8	local infrastructure. Kiosk facilities at beach. No to the proposed Aldi stor in Merewether	Facilities/ Amenities
9		No Response
10	Allowing access to beach by community. Preserving the beach. Keeping coastline clear of high rise development.	Accessibility Beach Community
